**Durability, beauty and affordability are rarely combined in one product. *With Karran you get it all.***

Engineered from an ultra-dense acrylic resin, Karran sinks are designed to endure the harsh abuse of daily use. Karran's unique satin surface finish resists scuffs and scratches commonly found on other sinks. It allows the use of the harshest abrasive cleaners. In fact Comet®, Ajax® and Scotch-Brite® scouring pads are the cleaners we recommend.

Karran's UV resistant additives mean it will never fade, its surface will never dull. And because of its ultra-dense polymer surface, it is guaranteed never to stain...EVER!
